

2nd quarter
2012

A Note from the Board President-

Greetings everyone in 2012. As many of you know, CSNN has gone through some growing pains in 2011. While they have not been fun for everybody, they have led to some very beneficial changes to the organization. Much of the growth had to do with ensuring that our policies and procedures were the best they could be as we look forward to serving our community for decades to come. I won't bore you with the details, I realize that not everyone likes policies as much as I do. What hasn't changed is the commitment of CSNN to encourage the networking of families with children with special needs to other families and services for support. We also look forward to raising awareness in our communities about children with special needs, encouraging others to get involved and play a role in the lives of the children. I want to thank everyone for their understanding and support as we transitioned, and to express what an honor it has been to get to know each of you and especially these wonderful children. One addition you will see in the office is Mrs. Molly Clark, our new Executive Director. I encourage you to call or stop by and get to know her, as well as the rest of the team. Again, Thank you for your support, and we look forward to having a great year together!

meet the csnn staff

Hello! My name is Janiece Dzedzic and I am currently serving as the CSNN Office Coordinator. I began working here in October 2011. I am originally from Fort Worth, Texas but now live in Harker Heights with my 6 year old Staffordshire Terrior, Sasha, and my 7 year old kitty named Toby! I feel very blessed to have been given this wonderful opportunity to work with all the children and families of the Children's Special Needs Network!

Hi there! My name is Rayne Jones and I am the new Project Assistant here at CSNN! I started my journey here in October 2011 and so far I have loved every minute of it. I am from the Austin area and relocated to Belton over the summer. I am the mother of a wonderful and vibrant 5 year old, Emma Grayce. I have really enjoyed living here and getting to know the families that CSNN serves.

My name is Molly Clark and I am thrilled to be the new Executive Director for CSNN! I grew up in Temple and attended Thornton Elementary, Bonham Middle School, and Temple High School. After high school, I attended Texas A&M University and earned my Bachelors of Business Administration in Marketing. My husband, Brad, and I have been married for 6 wonderful years. We have a sweet and rambunctious yellow Labrador Retriever who is very excited about moving to the Lake Belton area. I can not wait to get to know you all and help share the amazing work that CSNN is doing in our community!
